FOR IMMEDIATE RELEASE

New Exclusive PetFlex® HeartPack is here!

Salisbury, MA (November 15, 2006) – Andover Healthcare, Inc. is proud to announce **PetFlex HeartPack**, the newest in our exclusive line of printed cohesive bandages. PetFlex, with patented EasyTear® technology, is twice as strong as other cohesive bandages. Sweat and water resistant, PetFlex is durable and will not constrict over time. Application is quick and easy – no scissors are required.

The new **HeartPack** includes purple hearts on pink bandage, purple hearts on white bandage, red hearts on white bandage, blue hearts on neon green bandage, blue hearts on aqua bandage and blue hearts on lavender bandage. Joining our existing popular print packs - PetPack and Smiley Pack– **HeartPack** is available in 2", 3" and 4" sizes. PetFlex is also available in 13 colors in sizes 1" – 4" to conform to any size companion animal.

For a free sample or for more information, please call 800.432.6686.
